AN ACCOUNT OF ENCOUNTERS IN THE PRESENCE OF GOD

Apostle Owen Phiri & Pastor Gamu during the Special Anniversary Celebration Service.

This marriage has been a great blessing to TLT Ministries and all of us who are part of their lives. This couple leads in the truest sense of the word. They have made it a priority to encourage, teach, love and more importantly pray for all of us. We were privileged, this month, that they let us into their marriage by sharing the story of how they saw the hand of God lead them to each other and how they have managed to sustain the “Honey- moon phase”.

It was a great day of encouragement, laughs and advise to all who were present. We are truly grateful to God for this beautiful union.

September has also seen various church activities in full force. We are seeing great strides being made in different areas of the church. We have also seen some people heed the call of coming to serve in the house of God, which is a step in the right direction. The Apostle always talks about the importance of serving God because “When you serve God, the world

Every Marriage Must be Customised Based on its own Merits. Jesus Being the centre of Everything.

Yet another month has flown by and all around us, we continue to see the goodness and faithfulness of our God. September is a special month for us because it was on the 7th of September 2018 that the Apostle took the very beautiful Pastor Gamu to be his wife.

will also serve you”, he often says. As we begin a new month, we look forward to what the Lord has in store for us. We can never take for granted what a blessing it is that we find ourselves in God's presence, every week. As the Word is shared in our midst, may we not get too familiar with it but may we be obedient to do what it says, so that we can continue to grow and build our relationship with the Lord.

May God Bless you as you read...

KWW CONCERT
AWESOME PERFORMANCES BY GIFTED KIDS

Celebration Time

TLT Kids

The kids have been hard at work as they continue to prepare for their upcoming concert. They have all committed to ensuring that the concert is a successful one.

They closed off the month with a brilliant photo shoot as well as an outreach to Alexandra Township, where they gave out just over 100 hot dogs and party packs to the children in Alex. With these kinds of initiatives, they are being taught the importance of giving and being a blessing to others.

You are invited to join them as they host their first concert for the year, on the 7th of November 2020. They will first have a market day, where they will be selling an assortment of things and this will start at 3pm. After the market day, the concert will start promptly at 5pm. Let's please show them support and encouragement by coming and inviting others to be part of this event.

KWW is a programme for children from 4-16 years of age. They are taught various things including, playing musical instruments, dancing, singing, presenting and so much more. Workshops are held from 9AM – 12 PM and it is free. For anyone who is interested in partnering with this programme, please contact the Admin office on 061 297 9392.

A big thank you to all those parents who continue to bring their children every Saturday morning to be a part of this incredible programme.

KINGDOM DEALS NETWORK

During the month of September, we continued with our Business Prayer and Networking meetings on Saturday evenings. We now meet every other Saturday, where we gather to network, pray for our businesses as well as learn from other business people who have some experience in the marketplace. On Saturday, the 12th of September, we were blessed to have Meshack Mulaudzi, the owner and CEO of Kaelo Black Beauty, a toy company and an investment company called Black Pearl Investments, as our speaker he shared his journey in business as well as the lessons that he has learnt along the way.

Mr Meshack Mulaudzi & his daughter with some of their products

The next meeting was on the 26th of September, where we had the Apostle speak on access. He mentioned that over time he would be sharing on the following topics: Access, System, Business and People. In this Kingdom Deals Network session we learnt the importance of having keys to gain access into the system. How we need a business to use this system. We also learned the role of people as an important pillar in creating sustainable and successful business entities.

Below are some important points to note from the Access teaching:

Access is the ability to be in a controlled place. There are places that you cannot get into unless you are given access. If you don't have access, you will not know what is happening inside.

You can gather information but without access, the information doesn't work.

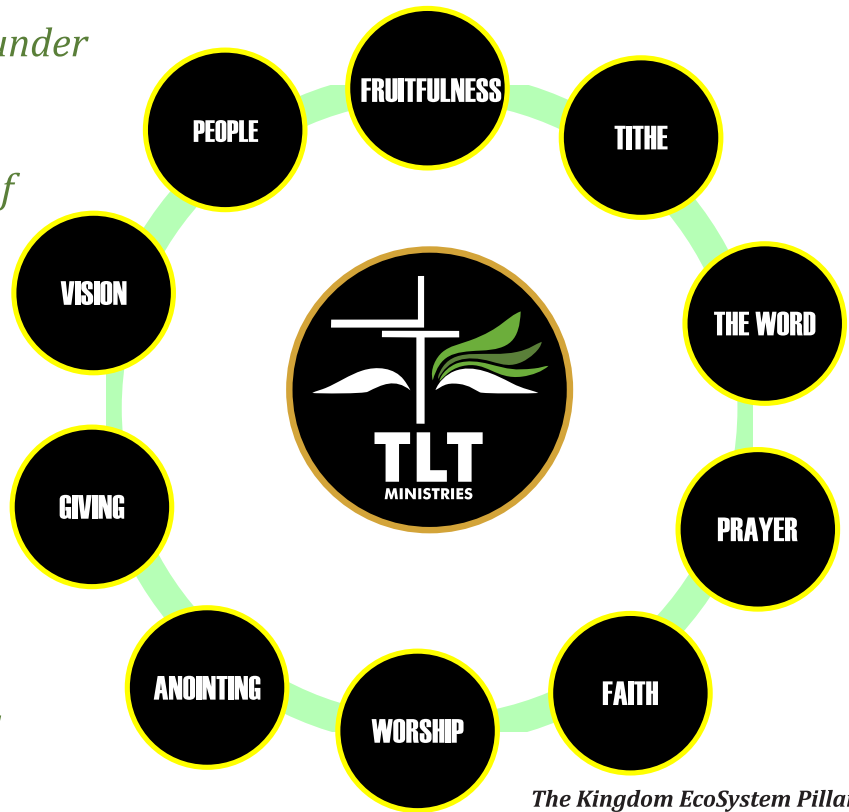

You get access in the spirit. Genesis 1:26 tells us where access is.

Matthew 16:19. This is spiritual access. When you get access, whatever you do here on earth, will be agreed upon in heaven. Not everyone is given the key but you can connect with someone who has the key.

You don't get a key from praying but you get access because of your revelation of who Jesus Christ is.

October KDN Meetings: Saturdays 10th & 24th October 2020, 17:30Hours

There are a lot of kingdoms under the sun but The Kingdom Ecosystem teaches us how to be effective in the Kingdom of God. There are a series of pillars that we need to connect with in order to be effective in this Kingdom. In this Kingdom, you don't just do what you want because there is only one King and there is no democracy. The Kingdom Ecosystem helps us to understand what the King requires from us.

The Kingdom EcoSystem Pillars

Below is a summary of all the pillars, as taught to us by the Apostle:

TITHE

Paying Tithe rebukes the devourer and allows you to operate under open heavens. Based on Malachi 3:8-11.

THE WORD

You need to meditate on the Word of God; however, you can't understand the Word of God if you have closed heavens. John 1:1-5 tells us that the Word is not scriptures but a person, we connect to the Word through scriptures. You need open heavens which you get by paying tithe in order to understand and connect to the Word of God.

PRAYER

You can't pray without understanding the Word of God and without open heavens. Prayer is communication with God, and communication can only happen when you understand the Word. When you understand the Word, you can't pray amiss because you know how God wants to be approached and you don't pray for what you've already been given.

In Matthew 6:9-13 Jesus teaches us how to pray. "Prayer makes you intelligent." – Apostle Owen Phiri

FAITH

Faith comes to you after you have open heavens, know the Word of God and know how to pray. Romans 10:17 tells us that faith comes to us. Faith comes when you want to hear what God is saying. The Word of God commands us to be in a place where God is, so that we can hear what He is saying. "Hearing by the Word of God" means hearing that is influenced by the Word of God.

Hebrews 11:1-6 defines what faith is, and also tells us that we cannot please God unless we have faith.

WORSHIP

Worship is submission to God. We don't see God with our eyes because we worship a God who is Spirit. You are only able to submit yourself to God when you have a relationship with Him through His Word and time spent communicating with him through prayer.

ANOINTING

When you worship God in spirit and in truth, then God anoints you. Anointing is the ability to do things extraordinarily and can also amplify your gift. We have learnt that everyone is anointed for a certain purpose, in a certain domain.

GIVING

When you have these pillars, giving becomes easy. You can give things that you really love. The Word of God teaches us that blessed is the hand that gives than the one that receives. God trusts you to be a blessing to others.

VISION

When you are able to give, God gives you a vision. He can make you see something that doesn't exist to bring it on earth. He will give you an original vision that cannot be imitated.

PEOPLE

God will trust you with people. Others will be blessed because of your vision. God can trust you to give. God can trust you with people because you are anointed.

FRUITFULNESS

When you have subscribed to all these pillars, then you will be fruitful in the kingdom of God.

God is faithful to give seed to all of us often, even monthly for most. The reason for lack of growth in most is that we eat the seed. For those who do manage to sow, they sow in the wrong ground. May God help us to identify both the seed and the ground that lead to our growth.

Apostle O.P

Testimonies

Baba Lucky Silawule

Baba Lucky Silawule shared that he was present when the Apostle prayed that if anyone has enemies, may those enemies love you. He shared a story that for 4-5 years, he wasn't speaking to his neighbor after an incident where he had confronted the neighbor about his bad behavior. The neighbor then went to report him at the police station. The matter ended up in court but the magistrate dismissed it and told him not to interact with the neighbor anymore. And so the Friday after the Apostle prayed that prayer, he heard a knock at the door and saw that it was his neighbor and his friends, who he had previously recruited to attack him. They asked to come into the house, and after they sat down, they explained that they were there to apologize for all the wrong things that they had done to him.

Mama Sarah shared a testimony that when she first came to the church, she had a problem with her womb. She explained how the pain also went down to her legs, that she was even scared to go to the gynaecologist. She expressed that she had faith that God would heal her but didn't know how. And so when she came to church, the man of God prayed for her and now she no longer feels any pain.

Mr Mangwende shared a testimony about how gravely ill his wife was that she could not eat or do anything but after the Apostle paid them a visit and prayed for her, his wife began to eat that evening and has also been eating even the things that the doctors told her not to eat. He also spoke about how every time his wife was admitted in hospital and he would call the man of God to inform him, his wife would be discharged shortly afterwards.

The Word By Pastor Obert Phiri 06-09-20

Luke 11:28

KEEPING The Word of **GOD**

When we come to church, we may dance, sing and all of those things but what is most important is for us to keep the Word of God in us. It is this Word that makes us to be what God wants us to be, this Word gives us Life in every situation, it is this Word that brings us the things that we desire.

Jesus says that blessed are those that hear the Word of God and keep it. There is power in keeping something. Something that you keep may not help you the moment that you are keeping it but there is a certain time that it will help you.

23: What is leading you to come to church? Are you led by the Holy Spirit? Are you led by your situation or by what God can give you when you go to church? When you know why you are coming to church, you then know who you are with because when you are with God, you know that you are going to receive the Word of Life.

There is a difference between wanting the giver and wanting what the giver can give you. You can easily betray the giver, once He has given you what you want.

Ask yourself why you follow God. Is it because of what He can give you or because He has the words that can sustain you?

If you are not with God, it means you are with the devil.

Are you with God? What makes you say that you are with God? Are you keeping the Word that you are being taught in church? Or do you only hear it when you are in church and forget about it as soon as you leave?

What makes you say that you are with God? Do you bring the presence of God wherever you go? What are the signs that people see when you are not at church?

When you are against God, you do the opposite of what the Word of God says.

We are living in a crazy world, where a lot of crazy things are happening. It is easy to be initiated into bad things. A body is a house of spirits. It can either be the Holy Spirit or unclean spirits.

God can make sure He puts you in a place where you can be delivered from unclean spirits because God wants His children to be set free. It is easy for us to forget about our deliverance because there is no Word in us to help maintain and keep the deliverance. We need to have the Word of God in us.

Once cast out of a person, an unclean spirit can come back if it can't find rest because it recognizes the person as its home.

It is important to keep yourself clean through the different programs that we have at church. It is important to stay in the presence of God to remain clean. When you give yourself to God, there are certain things that you stop doing so you can keep yourself clean.

When you don't have the Word of God in you, it is easy for the unclean spirits to come back with other spirits which are more wicked. The Word of God helps us, so that when these spirits come back, they will not find a home in you.

When deliverance is taking place, tune your spiritual ear so that you may keep the Word of God. Without the Word of God, you are not 100% a child of God.

When you keep the Word of God, troubles may come by you will never be shaken and nothing can stop you from doing greater and greater things.

There are things that cause our mothers to be blessed and also for them to be cursed. Keeping the Word of God causes you to be blessed.

The things we seek are not the blessing but having the Word of God causes us to be blessed. The Word of God brings to us, that which we desire. Hear the Word of God and keep it.

The Word By Apostle Owen & Pastor Gamu Phiri 13-09-20

Apostle Owen Phiri and Pastor Gamu Phiri

Below, are a few powerful and impactful points that our parents shared about their journey to and in marriage:

The man of God made a decision at a very young age what kind of father and husband he wanted to be.

He made a decision at a very young age that he would be a husband to one wife, which meant that he would only sleep with his wife. Making this decision helped him to avoid doing what other musicians around him were doing.

People around you and what you grew up seeing can impact what kind of husband and father you want to be. But you reach a certain point where you can't blame your childhood because at a certain point you can make different choices.

With the decisions that he had made, God started teaching him about different things. For example, he learnt about the dangers of fornication that every time you sleep with someone who is not your spouse, you are robbing your family and your spouse.

He received a lot of pressure to get married because he was leading a church and people said he couldn't lead people without being married but he waited to hear from God that it was time to get married.

If you are faithful before God, God orders your steps. If it's not the right person, it will not work out.

The Apostle spoke about how he met his wife when they were serving at a certain

church together but nothing went on between the two of them because he didn't qualify to be with her. When he left the church, they lost contact with each other. After a few years, when he went back to Zimbabwe for a certain service, they reconnected because when she saw him, she saw her spiritual father and when she looked properly, she saw that it was the Apostle. Apostle emphasized that when you serve God, then God will also work for you.

There are outstanding issues that can block you from getting married. It is important to disconnect from previous love interests and make sure that things have ended. Those things can delay where God is taking you. Make sure to disconnect completely.

Apostle encouraged us to serve God. If you get an opportunity to serve God, do it wholeheartedly.

Have a secret with your significant other and when that person cannot keep the secret then you are in trouble. That means that the person will not protect you even in public.

Be careful of the advise you get from people. What the two of you agree on is what you need to go with because people can give you bad advise.

Marriage is customized according to the couple. Do what you have agreed on. Create your own template.

It is important to have the Holy spirit, to serve and to love God.

QUESTION & ANSWER SESSION 13-09-20

For those who are already married, what is your advise for them to keep the fire burning?

It doesn't matter if you have married the right person or not but if you don't follow God, it will look like you married the wrong person. When you are married but don't listen to God, then there is a problem.

If God is not the centre of you marriage, then it will be a disaster even if you are meant for each other.

Be careful not to serve two masters, money and God. Money must never control your marriage.

If you want to see that you are meant for each other, no matter how much you fight, but you will end up missing each other.

Be careful not to serve two masters, money and God. Money must never control your marriage.

If you want to see that you are meant for each other, no matter how much you fight, but you will end up missing each other.

Make God the centre of your marriage and customize your own marriage.

If things in your marriage are not going well, it's important to keep doing good.

God tests your marriage so that you are ready for the blessing. There are things that you will go through that you have never gone through, as God prepares you for your blessing.

It is important to create a conducive environment for the God who is the centre of your marriage to move. Make your home a happy home and so God is able to move.

How do you deal with a scenario where your partner is always telling others your secret?

The foundation is very important. How you build your marriage determines if you can keep the secrets. There is a type of behaviour that can make the other partner to not value your secret; like lying, not treating each other well etc. Day to day interactions affect how you value the secret. When you respect each other, you able to respect the secret.

It is also important to note that there is always a partner who is weaker than the other. Where they are weak, it is your duty to carry them.

The Catholic church gives you the option to become a nun and not get married, also Jesus, in the book of Matthew, said that marriage is for a selected few

and Paul, in 1Corinthians 7, also said that it was better for a man to be alone. Marriage is also a blessing from God and not getting married seems like throwing the blessing in God's face. Please clear up the confusion.

Paul was talking about himself because he thought that women can be a distraction, so he was talking about himself and not saying it is better for everyone to be alone. In the book of Matthew, some were made nuns by man. Some decide not to get married because they don't want the blessing of marriage. Some are made by the Roman Catholic church to be nuns. God didn't say it because He gave us the option to choose what we want to do. Marriage definitely comes with a blessing that can only be found in marriage.

When God anoints you He gives you a domain to operate from but when you mess up like Saul did God will remove the domain He gave you and you will remain with the anointing.

Q&A Session With Apostle Owen Phiri 20-09-20

Can God fight for you when someone owes you money and isn't paying you or is it better to just let the matter go?

Write it off. When you are holding on to money that you have lost, it blocks all the other money, which you're supposed to be getting, from coming to you. Let it go and start again, you will see what God can do for you. If it comes back again, it will come to add onto money that you have made. The devil can use money to block your blessings because you become so angry that even the people that are supposed to pay you can't get money to pay you. Call the person that owes you the money and tell them that you are setting them free in love. Restoration happens when you lose something but if you are still holding on to it, then you haven't lost it.

Exodus 20:8. Is the day of worship on Saturday?

The day of worship is everyday. God never said that Saturday is Sabbath day. The day for Sabbath is the 6th day. What is your 6th day? We count a day because of day and night but when you read the book of Genesis, the sun came on the 4th day. So when you say it's Saturday, where are you counting from?

How are you able to know if a dream is from God or from the enemy?

Through spending time with the Holy spirit. Get information that feeds your spirit. Communication in the spirit is the same because the devil copies God and so it can look a bit difficult but when you spend time with God, you become familiar with His voice.

If there is someone who doesn't believe that God can do something for them but you are assigned to do something for that person for them to be saved, how can you make them believe? How can you convince a person that God can do something for them, so that they don't think that they were saved by chance?

Sometimes people don't need to understand anything. Understanding is a skill and it comes from God. Understanding is a spiritual muscle that you receive from God. Your faith and understanding must be able to work in the person. When the person comes out of the situation, their understanding will be that much more amplified.

continued next page...

QUESTION & ANSWER SESSION 20-09-20 continued

Sometimes you must perform miracles for those who are non-believers. Believers also give the Word of God credibility, so how you live your life can make others believe or not.

Does the Holy Spirit get angry? When God speaks and you don't do what you have been told, can the Holy Spirit get angry?

There is a scripture that says, "Do not quench the Holy spirit." The Holy Spirit was sent on assignment to make things easy for us. When the Holy Spirit says something and you don't do it, it means you keep moving away from Him and when you move away from Him, you are drawing close to demons. The Holy Spirit and demons cannot dwell in the same place. When the Holy Spirit tells you not to do something and you do it, that is disobedience. He will come again and tell you not to do something and you do it. He is very patient and you feel like everything in your life is still going well but it is the demons who are empowering you to make you feel like what you are doing is okay. What can be interpreted as the wrath of the Holy Spirit is when you have moved away from Him and are in the territory of the demons. That is when life becomes very tough because you have moved away from the comfort zone. The Holy Spirit cannot be angry, He is very patient. He is always present in any situation.

When you go into prayer, you need to listen. We don't know what we need to be praying for, so when you get into prayer, it is important to listen to what the Holy Spirit is saying and to do it at that time. When you engage in prayer, you need protection so if you don't listen, you can be attacked.

How do you know if it is the Holy Spirit that is talking to you or if it's just a thought in your mind?

Your spirit connects to spirits and it is the one that gives life to your body. Your spirit is sensitive to everything that is spiritual. The Holy Spirit whispers to your mind but the devil also does the same thing. How you know is by the relationship that you have with the Holy Spirit. There are always spirits speaking, demons, devil and the Holy Spirit. The one that you will hear more is the one that you feed more. What do you feed your spirit with? It is difficult to hear the Spirit of God more if you don't have a relationship with Him. The Holy Spirit speaks with your spirit and your spirit owns that. Meditating scriptures is a way of feeding your spirit. God can speak with different things; it can be attached to anything. You may think that you are just thinking but it is actually God who is speaking. The spirit of God in us is the one that we often don't expose more but we expose our flesh more. When you expose the spirit through fasting, giving, meditating on the Word of God, then you get more familiar with the Spirit of God. When you wait for the Voice of God, you may not get it but when you have spent time with God, you will hear when He speaks. When God speaks to you, you will have peace in you. You cannot be afraid when God is speaking to you. If you feel fear when something happens, know that it's not God who is speaking.

'...I am the way, the truth, and the life: no man cometh unto the Father, but by me.'

John 14:6

The more you know Him the more you are relevant in every part of your life, consider seeking Jesus Christ more and it shall be well with you.

Apostle O.P

Do not forget that one who held a ladder for you to go up! Remember not to own the person you helped in their times of need, all these are the opportunities God grants to everyone in the land of the living.
